As supplemented by this Fifteenth Supplemental Indenture, the 2003 Indenture is hereby confirmed.

SECTION 26.09 Article and Section Headings. The headings or titles of the several Articles and Sections hereof, and any table of contents appended to copies hereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this Fifteenth Supplemental Indenture.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL SUM: _____ DOLLARS

The Regents of the University of California, a corporation organized and existing under Article IX, Section 9, of the Constitution of the State of California (herein called "The Regents"), for value received, hereby promises to pay (but only out of General Revenues as hereinafter provided) to the registered owner referred to above or registered assigns on the maturity date referred to above (subject to any right of prior redemption hereinafter expressly reserved) the principal sum specified above, together with interest on such principal sum from the interest payment date next preceding the date of registration of this Bond (unless such date of registration is an interest payment date, in which event it shall bear interest from such date of registration, or unless this Bond is registered on or before November 15, 2009, in which event it shall bear interest from the original issue date specified above) until the principal hereof shall have been paid at the interest rate per annum specified above (based on a 360-day year consisting of twelve 30-day months), payable on November 15, 2009, and semiannually thereafter on each May 15 and November 15.

The principal or redemption price hereof is payable upon presentation and surrender hereof at the corporate trust office of The Bank of New York Mellon Trust Company, N.A. (as successor in interest to BNY Western Trust Company) (herein called the "Trustee"), in San Francisco, California, and interest shall be paid by check mailed to the person in whose name this Bond is registered as of the close of business on the first day of the month in which an interest payment date occurs, at the address of such registered owner shown on the books of the Trustee.

This Bond is one of a duly authorized issue of Bonds of The Regents designated as "The Regents of the University of California General Revenue Bonds" (herein called the

“Bonds”), unlimited in aggregate principal amount, except as otherwise provided in the Indenture hereinafter mentioned, of the series and designation indicated on the face hereof, which issue of Bonds consists or may consist of one or more series, of varying dates, numbers, interest rates and other provisions as in said Indenture provided, all issued under an indenture, dated as of September 1, 2003, by and between The Regents and the Trustee, as heretofore supplemented and as supplemented by a Fifteenth Supplemental Indenture, dated as of March 1, 2009, by and between The Regents and the Trustee (as so supplemented, the “Indenture”). This Bond, together with all other Bonds issued under the Indenture, is authorized to be issued pursuant to the powers and authority of The Regents contained in Article IX, Section 9 of the Constitution of the State of California. The Bonds are limited obligations of The Regents to which The Regents is obligated to apply only the General Revenues (herein called the “General Revenues”) as defined in, and only to the extent required by, the Indenture, to the payment of the principal of and interest and premium, if any, on the Bonds. This Bond is not a lien, charge or liability against the State of California or against The Regents or against the property or funds of either, except to the extent of the pledge of the General Revenues, as provided by the Indenture. Under the Indenture, the pledge and lien on General Revenues is junior to the pledge and lien of certain other indebtedness of The Regents, and the Indenture permits The Regents to incur additional indebtedness or obligations payable from General Revenues, including additional indebtedness or obligations secured by a pledge and lien on General Revenues senior in priority, on a parity with, or subordinate to, the pledge and lien of the Indenture. Reference is hereby made to the Indenture and all indentures supplemental thereto for a description of the rights thereunder of the owners of the Bonds, of the nature and extent of the security, of the rights, duties and immunities of the Trustee and of the rights and obligations of The Regents thereunder, to all of the provisions of which Indenture the owner of this Bond, by acceptance hereof, assents and agrees.

The Indenture and the rights and obligations of The Regents and the Trustee and the owners of the Bonds may be modified or amended from time to time and at any time in the manner, to the extent, and upon the terms provided in the Indenture; provided, however, that no such modification or amendment shall (1) extend the stated maturity of this Bond or reduce the rate of interest hereon, or extend the time of payment of interest, or reduce the amount of the principal hereof, or reduce any premium payable on the redemption hereof, without the consent of the owner hereof, or (2) reduce the percentage of owners of Bonds Outstanding whose consent is required for the execution of a supplemental indenture, without the consent of the owners of all Bonds then Outstanding.

The 2009 Series O Bonds are subject to redemption prior to maturity upon the conditions, at the times and at the redemption prices as set forth in the Indenture.

If an Event of Default, as defined in the Indenture, shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture. The Indenture provides that in certain events such declaration and its consequences may be rescinded by the owners of at least a majority in aggregate principal amount of the Bonds then outstanding.

The 2009 Series O Bonds are issuable only as fully registered Bonds without coupons in denominations of \$5,000 or any integral multiple thereof. Subject to the limitations

and upon payment of the charges, if any, provided in the Indenture, 2009 Series O Bonds may be exchanged at the corporate trust office of the Trustee in San Francisco, California, for a like aggregate principal amount of Bonds of other authorized denominations. This Bond is transferable by the registered owner hereof, in person, or by its duly authorized attorney, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds, of the same series, authorized denomination or denominations and for the same aggregate principal amount, will be delivered to the transferee in exchange herefor. The registered owner hereof shall be deemed and regarded as the absolute owner, hereof for all purposes.

It is hereby certified that all of the conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by the Constitution and laws of the State of California and that the amount of this Bond, together with all other indebtedness of The Regents, does not exceed any limit prescribed by the Constitution or laws of the State of California.

This Bond shall not be entitled to any benefit under the Indenture, or become valid or obligatory for any purpose, until the certificate of authentication hereon endorsed shall have been signed by the Trustee.

IN WITNESS WHEREOF, THE REGENTS OF THE UNIVERSITY OF CALIFORNIA has caused this Bond to be executed in its name and on its behalf by the facsimile signatures of its Chairman and its Secretary and Chief of Staff and its corporate seal to be imprinted or impressed hereon all as of the Original Issue Date.
