Moneys in the 2005 Series H Costs of Issuance Fund shall be used to pay Costs of Issuance with respect to the 2005 Series H Bonds, and at the end of six months from the date of issuance of the 2005 Series H Bonds, or upon earlier determination by The Regents that the amounts in said fund are no longer required for payment of Costs of Issuance, said fund shall be terminated and any amounts then remaining in said fund shall be transferred to the Trustee for deposit in the Debt Service Fund.

(C) 2005 Series H Construction Account. The Regents shall establish and maintain a separate account designated as the "2005 Series H Construction Account." To that end, The Regents, with respect to such proceeds and such other funds will comply with all requirements of such sections of the Code and all regulations of the United States Department of the Treasury issued thereunder to the extent that such requirements are, at the time, applicable and in effect.

If at any time The Regents is of the opinion that for purposes of this Section it is necessary to restrict or limit the yield on or change in any way the investment of any moneys held by the Trustee or under this Indenture, The Regents shall so instruct the Trustee or the
appropriate officers of the Regents in writing, and the Trustee or the appropriate officers of The Regents, as the case may be, shall take such actions as may be necessary in accordance with such instructions.

In furtherance of the covenants of The Regents set forth above, The Regents will comply with the Tax Certificate and will cause the Trustee to comply with the Tax Certificate.

**SECTION 19.08 Terms of 2005 Series H Bonds Subject to the Indenture.**

Except as in this Eighth Supplemental Indenture expressly provided, every term and condition contained in the Indenture shall apply to this Eighth Supplemental Indenture and to the 2005 Series H Bonds with the same force and effect as if the same were herein set forth at length, with such omissions, variations and modifications thereof as may be appropriate to make the same conform to this Eighth Supplemental Indenture. As supplemented by this Eighth Supplemental Indenture, the Indenture is hereby confirmed.

**SECTION 19.09 MBIA Payment Provisions.**

(A) In the event that, on the second Business Day, and again on the Business Day, prior to the payment date on the MBIA Insured 2005 Series H Bonds, after taking into account the right of The Regents to transfer funds to the Trustee for deposit in the Debt Service Fund on or before each payment date on the MBIA Insured 2005 Series H Bonds and in reliance on the covenant of The Regents contained in this Section, the Trustee has not received sufficient moneys to pay all principal of and interest on the MBIA Insured 2005 Series H Bonds due on the second following or following, as the case may be, Business Day, the Trustee shall immediately notify MBIA or its designee on the same Business Day by telephone or telegraph, confirmed in writing by registered or certified mail, of the amount of the deficiency.

(B) If the deficiency is made up in whole or in part prior to or on the payment date, the Trustee shall so notify MBIA or its designee.

(C) In addition, if the Trustee has notice that any Holder of MBIA Insured 2005 Series H Bonds has been required to disgorge payments of principal or interest on the MBIA Insured 2005 Series H Bonds to a trustee in bankruptcy or creditors or others pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes an avoidable preference to such Holder within the meaning of any applicable bankruptcy laws, then the Trustee shall notify MBIA or its designee of such fact by telephone or telegraphic notice, confirmed in writing by registered or certified mail.
(D) The Trustee is hereby irrevocably designated, appointed, directed and authorized to act as attorney-in-fact for Holders of the MBIA Insured 2005 Series H Bonds as follows:

(1) If and to the extent there is a deficiency in amounts required to pay interest on the MBIA Insured 2005 Series H Bonds, the Trustee shall (a) execute and deliver to U.S. Bank Trust National Association, or its successors under the Policy (the "Insurance Paying Agent/Trustee"), in form satisfactory to the Insurance Paying Agent/Trustee, an instrument appointing MBIA as agent for such Holders in any legal proceeding related to the payment of such interest and an assignment to MBIA of the claims for interest to which such deficiency relates and which are paid by MBIA, (b) receive as designee of the respective Holders (and not as Trustee) in accordance with the tenor of the Policy payment from the Insurance Paying Agent/Trustee with respect to the claims for interest so assigned, and (c) disburse the same to such respective Holders; and

(2) If and to the extent of a deficiency in amounts required to pay principal of the MBIA Insured 2005 Series H Bonds, the Trustee shall (a) execute and deliver to the Insurance Paying Agent/Trustee in form satisfactory to the Insurance Paying Agent/Trustee an instrument appointing MBIA as agent for such Holder in any legal proceeding relating to the payment of such principal and an assignment to MBIA of any of the MBIA Insured 2005 Series H Bond surrendered to the Insurance Paying Agent/Trustee of so much of the principal amount thereof as has not previously been paid or for which moneys are not held by the Trustee and available for such payment (but such assignment shall be delivered only if payment from the Insurance Paying Agent/Trustee is received), (b) receive as designee of the respective Holders (and not as Trustee) in accordance with the tenor of the Policy payment therefor from the Insurance Paying Agent/Trustee, and (c) disburse the same to such Holders.

(E) Payments with respect to claims for interest on and principal of MBIA Insured 2005 Series H Bonds disbursed by the Trustee from proceeds of the Policy shall not be considered to discharge the obligation of The Regents with respect to such MBIA Insured 2005 Series H Bonds, and MBIA shall become the owner of such unpaid MBIA Insured 2005 Series H Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of this subsection or otherwise.

SECTION 19.10 FGIC Payment Provisions.

As long as the FGIC 2005 Series H Policy shall be in full force and effect, The Regents hereby covenants to send written notice to the Trustee on or before the third Business Day prior to the payment date on the FGIC Insured 2005 Series H Bonds in the event The Regents determines there will be an insufficient amount in the Debt Service Fund on such payment date to pay the principal of and interest on the FGIC Insured 2005 Series H Bonds on such payment date, and The Regents and the Trustee additionally agree to comply with the following provisions:

(A) If, on the third day preceding any interest payment date for the FGIC Insured 2005 Series H Bonds there is not on deposit with the Trustee sufficient moneys available to pay all principal of and interest on the FGIC Insured 2005 Series H Bonds due on such date, after taking into account the right of The Regents to transfer funds to the Trustee for deposit in
the Debt Service Fund on or before each payment date on the FGIC Insured 2005 Series H Bonds and in reliance on the covenant of The Regents contained in this Section, the Trustee shall immediately notify FGIC and U.S. Bank Trust National Association, New York, New York or its successor as its Fiscal Agent (the "Fiscal Agent") of the amount of such deficiency. If, by said interest payment date, The Regents has not provided the amount of such deficiency, the Trustee shall simultaneously make available to FGIC and to the Fiscal Agent the registration books for the FGIC Insured 2005 Series H Bonds maintained by the Trustee. In addition:

(i) The Trustee shall provide FGIC with a list of the Bondholders entitled to receive principal or interest payments from FGIC under the terms of the FGIC 2005 Series H Policy and shall make arrangements for FGIC and its Fiscal Agent (1) to mail checks or drafts to Bondholders entitled to receive full or partial interest payments from FGIC and (2) to pay principal of the FGIC Insured 2005 Series H Bonds surrendered to the Fiscal Agent by the Bondholders entitled to receive full or partial payments from FGIC; and

(ii) The Trustee shall, at the time it makes the registration books available to FGIC pursuant to (i) above, notify Bondholders entitled to receive the payment of principal of or interest on the FGIC Insured 2005 Series H Bonds from FGIC (1) as to the fact of such entitlement, (2) that FGIC will remit to them all or part of the interest payments coming due subject to the terms of the FGIC 2005 Series H Policy, (3) that, except as provided in paragraph (B) below, in the event that any Bondholder is entitled to receive full payment of principal from FGIC, such Bondholder must tender his FGIC Insured 2005 Series H Bond with the instrument of transfer in the form provided on the FGIC Insured 2005 Series H Bond executed in the name of FGIC, and (4) that, except as provided in paragraph (B) below, in the event that such Bondholder is entitled to receive partial payment of principal from FGIC, such Bondholder must tender his FGIC Insured 2005 Series H Bond for payment first to the Trustee, which shall note on such FGIC Insured 2005 Series H Bond the portion of principal paid by the Trustee, and then, with an acceptable form of assignment executed in the name of FGIC, to the Fiscal Agent, which will then pay the unpaid portion of principal to the Bondholder subject to the terms of the FGIC 2005 Series H Policy.

(B) In the event that the Trustee has notice that any payment of principal of or interest on a FGIC Insured 2005 Series H Bond has been recovered from a Bondholder pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Trustee shall, at the time it provides notice to FGIC, notify all Bondholders of FGIC Insured 2005 Series H Bonds that in the event that any Bondholder's payment is so recovered, such Bondholder will be entitled to payment from FGIC to the extent of such recovery, and the Trustee shall furnish to FGIC its records evidencing the payments of principal of and interest on the FGIC Insured 2005 Series H Bonds which have been made by the Trustee and subsequently recovered from Bondholders of FGIC Insured 2005 Series H Bonds, and the dates on which such payments were made.

(C) FGIC shall, to the extent it makes payment of principal of or interest on the FGIC Insured 2005 Series H Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the FGIC 2005 Series H Policy and, to evidence such subrogation, (i) in the case of subrogation as to claims for past due interest, the Trustee shall note FGIC's rights as subrogee on the registration books maintained by the Trustee upon receipt from FGIC of proof of the payment of interest thereon to the Bondholders of such FGIC Insured 2005...
Series H Bonds and (ii) in the case of subrogation as to claims for past due principal, the Trustee shall note FGIC's rights as subrogee on the registration books for the FGIC Insured 2005 Series H Bonds maintained by the Trustee upon receipt of proof of the payment of principal thereof to the Bondholders of such FGIC Insured 2005 Series H Bonds. Notwithstanding anything in this Eighth Supplemental Indenture or the FGIC Insured 2005 Series H Bonds to the contrary, the Trustee shall make payment of such past due interest and past due principal directly to FGIC to the extent that FGIC is a subrogee with respect thereto.

   Vice President
The Regents of the University of California, a corporation organized and existing under Article IX, Section 9, of the Constitution of the State of California (herein called "The Regents"), for value received, hereby promises to pay (but only out of General Revenues as hereinafter provided) to the registered owner referred to above or registered assigns on the maturity date referred to above (subject to any right of prior redemption hereinafter expressly reserved) the principal sum specified above, together with interest on such principal sum from the interest payment date next preceding the date of registration of this Bond (unless such date of registration is an interest payment date, in which event it shall bear interest from such date of registration, or unless this Bond is registered on or before May 15, 2006, in which event it shall bear interest from the original issue date specified above) until the principal hereof shall have been paid at the interest rate per annum specified above (based on a 360-day year consisting of twelve 30-day months), payable on May 15, 2006, and semiannually thereafter on each May 15 and November 15.

The principal or redemption price hereof is payable upon presentation and surrender hereof at the corporate trust office of The Bank of New York Trust Company, N.A. (as successor in interest to BNY Western Trust Company) (herein called the "Trustee"), in San Francisco, California, and interest shall be paid by check mailed to the person in whose name this Bond is registered as of the close of business on the first day of the month in which an interest payment date occurs, at the address of such registered owner shown on the books of the Trustee.

This Bond is one of a duly authorized issue of Bonds of The Regents designated as "The Regents of the University of California General Revenue Bonds" (herein called the
"Bonds"), unlimited in aggregate principal amount, except as otherwise provided in the Indenture hereinafter mentioned, of the series and designation indicated on the face hereof, which issue of Bonds consists or may consist of one or more series, of varying dates, numbers, interest rates and other provisions as in said Indenture provided, all issued under an indenture, dated as of September 1, 2003, by and between The Regents and the Trustee, as heretofore supplemented and as supplemented by an Eighth Supplemental Indenture, dated as of October 1, 2005, by and between The Regents and the Trustee (as so supplemented, the "Indenture"). This Bond, together with all other Bonds issued under the Indenture, is authorized to be issued pursuant to the powers and authority of The Regents contained in Article IX, Section 9 of the Constitution of the State of California. The Bonds are limited obligations of The Regents to which The Regents is obligated to apply only the General Revenues (herein called the "General Revenues") as defined in, and only to the extent required by, the Indenture, to the payment of the principal of and interest and premium, if any, on the Bonds. This Bond is not a lien, charge or liability against the State of California or against The Regents or against the property or funds of either, except to the extent of the pledge of the General Revenues, as provided by the Indenture. Under the Indenture, the pledge and lien on General Revenues is junior to the pledge and lien of certain other indebtedness of The Regents, and the Indenture permits The Regents to incur additional indebtedness or obligations payable from General Revenues, including additional indebtedness or obligations secured by a pledge and lien on General Revenues senior in priority, on a parity with, or subordinate to, the pledge and lien of the Indenture. Reference is hereby made to the Indenture and all indentures supplemental thereto for a description of the rights thereunder of the owners of the Bonds, of the nature and extent of the security, of the rights, duties and immunities of the Trustee and of the rights and obligations of The Regents thereunder, to all of the provisions of which Indenture the owner of this Bond, by acceptance hereof, assents and agrees.

The Indenture and the rights and obligations of The Regents and the Trustee and the owners of the Bonds may be modified or amended from time to time and at any time in the manner, to the extent, and upon the terms provided in the Indenture, provided, however, that no such modification or amendment shall (1) extend the stated maturity of this Bond or reduce the rate of interest hereon, or extend the time of payment of interest, or reduce the amount of the principal hereof, or reduce any premium payable on the redemption hereof, without the consent of the owner hereof, or (2) reduce the percentage of owners of Bonds Outstanding whose consent is required for the execution of a supplemental indenture, without the consent of the owners of all Bonds then Outstanding.

The 2005 Series H Bonds are subject to redemption prior to maturity upon the conditions, at the times and at the redemption prices as set forth in the Indenture.

If an Event of Default, as defined in the Indenture, shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture. The Indenture provides that in certain events such declaration and its consequences may be rescinded by the owners of at least a majority in aggregate principal amount of the Bonds then outstanding.

The 2005 Series H Bonds are issuable only as fully registered Bonds without coupons in denominations of $5,000 or any integral multiple thereof. Subject to the limitations and upon payment of the charges, if any, provided in the Indenture, 2005 Series H Bonds may be
exchanged at the corporate trust office of the Trustee in San Francisco, California, for a like aggregate principal amount of Bonds of other authorized denominations. This Bond is transferable by the registered owner hereof, in person, or by its duly authorized attorney, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds, of the same series, authorized denomination or denominations and for the same aggregate principal amount, will be delivered to the transferee in exchange herefor. The registered owner hereof shall be deemed and regarded as the absolute owner hereof for all purposes.

It is hereby certified that all of the conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by the Constitution and laws of the State of California and that the amount of this Bond, together with all other indebtedness of The Regents, does not exceed any limit prescribed by the Constitution or laws of the State of California.

This Bond shall not be entitled to any benefit under the Indenture, or become valid or obligatory for any purpose, until the certificate of authentication hereon endorsed shall have been signed by the Trustee.
IN WITNESS WHEREOF, THE REGENTS OF THE UNIVERSITY OF CALIFORNIA has caused this Bond to be executed in its name and on its behalf by the facsimile signatures of its Chairman and its Secretary and its corporate seal to be imprinted or impressed hereon all as of the Original Issue Date.
